TRIP SCHEDULE

Our industrious master trip scheduler, Kurt Duey, has already lined up coordinators and scheduled 5 overnight trips for the coming winter season before he left for Bolivia! So, you can make plans for your skiing winter and also see when you can schedule a trip to coordinate yourself. Kurt can be reached via Email at

kurt.duey@comcast.net

to help to setup a trip. Remember that trip coordinators get their lodging free and a great deal of gratitude from the club members.

The trips scheduled and their coordinators are:

Logan Lake the nights of 12-29,30,31, 2011 Kurt Duey,
kurt.duey@comcast.net

Manning Park the nights of 1-13,14,15, 2012 Elizabeth Martindale,
emartindale@comcast.net

Rendezvous (Methow Valley) the nights of 2-13,14,15, 2012 Mary Dubrow,
msdubrow@msn.com

Logan Lake the nights of 2-17,18,19, 2012 Don Hicks,
hicks46@netzero.net

Nickel-plate the nights of 3-1,2,3, 2012 Kurt Duey,
kurt.duey@comcast.net

Contact the coordinators for more information on the trip details and to reserve your place on the trip. Kurt has said he is willing to fulfill his duties via email for both master trip scheduler and trip leader of his trips from Bolivia until his return to Bellingham on Nov. 22 ready to ski.

THE PREZ's LETTER

Is it time to think snow already? You bet it is!!!! Whether we want to admit it or not, summer is beginning to wind down, and we will soon be faced with cloudy days and falling leaves. The good news is that snow will soon follow, and that means prime skiing. We are planning a very busy ski season, with five weekend trips already set, as well as a ski lesson program that will be expanded from our initial offering last season. To prepare for the snow, your officers have been working hard to plan brushing parties over the next couple months. There will be more information on specific dates at our upcoming potluck. I look forward to seeing old members and meeting new ones next Thursday! Until the snow, enjoy the great weather we've been having.

Safe Brushing,

Jeff Rhodes
NNSC President
