## TURNOVER ON THE BOARD OF DIRECTORS

Three Board members are leaving, as their two-year term is over. Jeff Rhodes, our current President; Joan Dudley, who also served as Program Coordinator, and found speakers for our meetings and a vacant position. A big thank you to Jim Rhodes for filling that position until a new Board member could be found. All three of these Board members will be missed and we so appreciate that they took time out of their very busy lives to serve on the Board.

Three new member volunteers will be joining our Board this month, Greg Aanes, Debra Jusak and Dave Gertstenberger "DG". We are excited and look forward to having them on our Board of Directors. All three of these individuals did not hesitate to volunteer when the call went out.

**Publicity Position is Filled at Last!** Jeremy Boyer has volunteered to fill the position of Publicity for our club. Thank you Jeremy!!

What would we do without members who care enough about the club to keep it going year after year. Thanks to all of our volunteers so much for all you do.

Sharon Holmes

## KUDOS CORNER

Many thanks to our volunteers. We just had another work party at SR to install the trailhead signs and sanican base. Thanks to Tom and Lynne Oliver, Kurt Duey, Sharon Holmes, and Keats and Gail Garman – team leaders.

## DAY TRIP TO HOLLYBURN, SATURDAY FEBRUARY 11

Just north of Vancouver, B.C., only a 1-1/2 hour drive from Bellingham mostly on freeways, Hollyburn is our closest premier XC-Ski area. A favorite day trip for club members, it has an elevation of 3,500 ft. and 26 km of highly groomed trails for classic and skate skiing that wind past snow-covered lakes, through meadows, and snowy mountain forests. There are fantastic views of the Salish Sea, islands, Burrard Inlet, and the city far below.

There are two huts where hot food can be purchased, one at the entrance and the other (on the trails) is the historic Hollyburn Ski Lodge dating from the 1920's. There is also a large warming hut up the mountain.. Many people however bring their own lunch and we eat at the lodge or the upper warming hut. Trail fees are \$20 (\$13 for 65+) for a full day, and credit cards are accepted. Go to [www.cypressmountain.com](http://www.cypressmountain.com) for current information and conditions.

We will meet at Sunset Square parking lot, Southeast corner at the rock wall near Cost Cutter at 8am for carpooling. We usually try to return to B'ham by early evening (6-ish). Remember to bring your PASSPORTS or other acceptable identification for re-entering the USA.

Contact the leader, Don Hicks, 733-4815, [hicks46@netzero.net](mailto:hicks46@netzero.net), for confirmation and more details.

## LAST MINUTE DAY – TRIPS/CARPOOLING EMAIL LIST SERVER

Don Hicks, Day-Trip Coordinator, has configured an NNSC Email List Server hosted by GoogleGroups.com.

The primary purpose of this Email List Server is to facilitate the organization of last minute day trips and carpooling to our home trails near Mt. Baker and other local destinations such as Cypress Mountain, Stevens Pass, Manning Park, etc..

With the highly variable weather and snow conditions in the Pacific Northwest, it is often a last minute decision to go skiing in a few days. So, if you are going out and wish to invite others to join you for company and companionship or just carpooling if you have room to share or a need for a ride, you will be able to just send an email to [NooksackNordics@GoogleGroups.com](mailto:NooksackNordics@GoogleGroups.com). Also the list may be used to ask questions and for other discussions between all members of the list on the general subject of XC skiing.

Membership in this Email service is voluntary and restricted to NNSC members. This list is independent of and does not affect official communications from the club leaders to the entire club membership. Only members of the list can send emails to the list so you will receive no SPAM. You may easily unsubscribe from the list at any time (see the links at the bottom of every email you receive). All email addresses are kept private. Also all replies to messages are only sent to the person who sent the original message and not to the entire group (unless you "Reply All").

If you are not already a member of the list, watch for an invitation to join the list in your email if you are a current member of NNSC. You may then accept membership in the list or decline by simply ignoring the invitation. You may join this list at any time later by sending an email to the list moderator, Don Hicks, [hicks46@netzero.net](mailto:hicks46@netzero.net).

## STAKE & LOGAN LAKES & KANE VALLEY

Feb. 17 - 20, 2012  
(Presidents' Day Weekend)  
Coordinated by Don Hicks

This high altitude ski destination has three different settings to ski in: ultra-groomed Stake Lake, semi-groomed Logan Lake, and seldom groomed Kane Valley offering a variety of ski opportunities. We will be staying again at the luxurious Highland House B&B in Logan Lake, BC. The cost of \$248 per person includes meals with special dietary needs accommodated. There is a maximum of 10 or 11 people.

For more details go to our web site,

<http://www.nooksacknordicskiclub.org/>, and select Calendar of Activities or contact Don at 360-733-4815 or [hicks46@netzero.net](mailto:hicks46@netzero.net)

This trip has been very popular in past years and fills very quickly. To hold a space send a check for the full amount made out to NNSC to the trip coordinator, Don Hicks, 1546 Hillsdale Rd., Bellingham, WA, 98226

## LAKE WENATCHEE AREA IN WASHINGTON

Feb 3 – Feb 6, 2012

This area offers seven different skiing locations within 16 miles of where we are staying. Accommodations are in Plain WA at Beaver Valley Lodge. Stay is for 3 nights and 4 days of skiing. Lodging is \$230 per person. The lodge may be seen at [www.beavervalleylodge.com](http://www.beavervalleylodge.com).

The Wenatchee River bisects Lake Wenatchee State Park, thus creating the South Park and North park. The South Park has 18.6 miles and the North Park has 3.1 miles of groomed trails. Skate skiing is available in the North Park. South Park also offers tubing and a snow play area. There are 4.9 miles of snow shoeing trails. Another location is Nason Ridge that offers tracks and a skate lane. Additionally the trail leads to back country skiing for the more adventuresome. Total trail length is 17.9 miles of which 12 miles are groomed. Nearby is Chiwawa with the See and Ski trail groomed for track and skate skiing for 4 miles. Flying loop and Squirrel Run are 2.9 and 2.5 miles, respectively.

A Sno Park Permit is required and also a Special Groomed Trails Permit sticker. Drivers are responsible for the Sno Park Permit. Riders will share the cost of the Special Permit. Special permit stays with the driver after the trip is completed.

Meals will be planned and members will share the cost of the food. There will be three dinners and three breakfasts. Bring your own food for lunch. Alcohol is not included in the food costs. Carpooling is encouraged and will be arranged prior to the trip.

Make checks payable to NNSC for \$230. Mail to 259 W Bakerview Road # 104, Bellingham, WA 98226

Coordinator is Lynn Alderson at 223-5859 or [lalder3122@hotmail.com](mailto:lalder3122@hotmail.com)

## NICKEL PLATE TRIP IS HALF FULL

If you haven't skied at the Nickel-plate trail system, you have been missing one of the best in the region. The trails have 50 kilometers of well-groomed trails in provincial forest, with enough variety to keep you busy for three days. The system is located at 2000 meters and for this reason will still have snow in March. Unless I receive 4 more people on this trip before the end of January, I will not hold on to the Buck Suite, which will cost \$1576 for three nights. If necessary, we can take rooms at the Elk Motel, in Ceremos but it is 40 minutes from the ski area. For this reason I am encouraging any members who are setting on the fence, to send

me a check for \$160. Our individual costs depend on how many attend. This is our last overnight trip of the year. If you are interested, contact Kurt D.

## KIDS CROSS COUNTRY SKI CLINIC AT SALMON RIDGE

Sponsored by the Nooksack Nordic Ski Club & Fairhaven Bike & Ski

With approval for paid lessons at the snow park and registration streamlined with Fairhaven Bike and Ski, the 2012 series of lessons was ready to go. Unfortunately, the snow just would not fall in December and the kid's Nordic ski lessons for 2012 were cut down to one Sunday event. The January 8th lesson had just enough coverage to make the skiing possible. Todd Eastman made the most of the day and led our group of five youngsters on a fun day of skiing!

## TRIP REPORT FOR MANNING PARK

Eleven NNSC members, ages 7 to 70 had four great days of fun skiing at the Manning Ski Resort over Martin Luther King weekend.

The rain soaked weekend of the previous year became a distant memory once we were at Manning Park and were greeted by the beautiful sunny day and wonderful powdery snow that was nicely groomed.

The temperatures were chilly (between 12 and 18 degrees F) but except for one afternoon the wind was calm and the days were sunny so it never seemed too cold once we were skiing. One afternoon the wind started blowing about 1:00 PM and those adults and child who were on their way down South Gibson from Strawberry Flats was treated to the adventure of skiing in blowing powdery snow. On the well-groomed trails it was thrilling but okay. However, we didn't envy the skiers heading up Gibson towards Strawberry Flats.

The skiing, meals, and camaraderie were excellent and enjoyed by everyone.

Elizabeth Martindale

## HOLLYBURN SKI REPORT

Black ice in the parking lot did not deter our intrepid members from continuing on to Hollyburn, for a day's skiing in a heavy snow. About 5 inches fell while the 8 of us skied the popular Vancouver cross-country destination. The temp was close to freezing and the snow

was very sticky and required a good application of maxi-glide to move. With the maxi-glide, the snow was slow but easy to work with. I took advantage of the new snow to try my turns on the power-line hill. Boy do I need more practice! While I only fell down on the hill once, it was hardy effortless to turn. All in all the day was magical, with the snow falling and occasional strong gusts making me wish I hadn't left my ski glasses at home.

## **KURT'S COMMENTS**

Monday, 1-16-12 I drove back from Manning in a snow storm, ending a 8 day trip to the Rendezvous Gardner Hut, in the Methow and Manning Cabins. It was a trip of over 700 miles! Cindy Hassel carpooled with me and it was good to have the company as well as someone to help with the expenses. Out of 8 days we both skied 6. Hay, some days you just need to take it easy, right? On the way back my car started to insist that my luggage compartment door was open, with a rater persistent

buzzing. I sent my VW to the shop to get it fixed. When the mechanic opened the hood, a large rat leaped out and scurried off! The car was sounding an alarm not squeaking!

Rendezvous was the best I've seen it in three years, with temperatures around 24deg. F. and snow well groomed. It's always so lovely to be out in the mountains where no sounds of civilization intrude. The view from Gardner Hut was panoramic and impressive, as always and my travel companions were good company. I would recommend this trip next year to anyone who likes to get away for a back country ski trip. Mary Dubrow has said that she will reserve Gardner Hut again next year, so watch our website and sign up for this unique trip next fall.

My experience at Manning was of course different, with a spa, bar and downhill ski area, this destination is a classic Canadian winter sports venue. Ice skating is available and impromptu hockey games are common. Our stay at Manning saw the arrival of the first new snow since November. Five inches fell on the 13<sup>th</sup> and more fell each of the 3 following days. The temperatures were from 30 to 19 degrees F. affording us good skiing conditions. I found it a little on the slow side, which made the hills easier to manage. Graduation hill was a pleasure, not the fearsome descent that it can be. 11 club members attended and everyone, including an 8 year old, who was an inspiration and pleasure to ski with, had a good time. What a great little boy! He wanted to give us all tours of his snow fort and skied over 5 miles on Saturday. We could use more children like him on these club

trips. Come on all you parents, don't leave the kids at home because you think the rest of us won't approve.

On a different note, I want to say that there are only a few trips left that aren't full. So if you want to go on a ski trip this season, sign up for Lake Wenatchee or Nickel-plate, as they are the only trips with spaces still available!

Kurt Duey
