## THANK YOU BRUSHING WORK PARTIES!

Volunteers are the lifeblood of the Nooksack Nordic Ski Club and the Salmon Ridge Nordic Ski and Snowshoe Trails. Neither would exist if not for their efforts. This fall was characterized by WET. The first brushing party saw everyone returning looking like drowned rats. High winds and rain forced cancellation of the second brushing day. Much better weather prevailed for brushing trip 3 and another short notice trip. Much of the focus this year was getting Anderson Creek Road back into operation. A significant effort has been made on drainage culverts and ditches to minimize chances of further washouts. We'd like to thank the NNSC members and others from the community who worked on the trails this past October and November. The hard worker list includes: Paul Almond, Deb Dempsey, Fred DeVelbiss, Dana Downs, Pat Downs, Kurt Duey, Mary Durbrow, Gail Garman, Meg Hayes, Doug Huddle, Mary Beth Jaynes, Lynne Oliver, Jim Rhodes, and Pete Tryon.

## THANK YOU!

**Jim Rhodes**

## UP COMING MEETING

Due to the convergence of a number of unrelated circumstances, the December 1, 2016 meeting (7:30 to 8:30 PM at the Garden Street Methodist Church) will entail a mix of a number of different informal portions: Gail Garman will report on what is happening at the state level with SnoParks. Discussion will also take place on the recent trail work that has been completed at Razor Hone and upcoming ski trips. For those new to Nordic skiing, members will be happy to describe the relative merits of a variety of sample skis. That, and hot drinks and a chance to socialize with fellow skiers will fill out the evening.

We hope to have volunteers present to hot wax your skis with fresh glide wax. (A modest donation to the club will be appreciated for this service.)

**Pete Tyrone**

## IS YOUR NNSC MEMBERSHIP CURRENT?

Dues are seasonal, with the 2015-16 season starting in September.

Benefits for \$30 single or \$45 per household include:

- "Snow News is Good News" newsletter  
<http://www.nooksacknordicskiclub.org/apply2.phpdelivered>
- Super trips and other activities, including some to foreign venues (Canada)
- Connecting with other skiers and snowshoers at meetings
- Joining approximately 90 other individuals or households in supporting

local Nordic skiing and snowshoeing

There are several ways to submit an application, including on-line. If you'd like to use old fashioned paper and check, you can find a [membership form](#) on the NNSC web site, the last page of this newsletter, or at club meetings.

Sitting at your computer checking out the latest snow reports? While you are there, click on the NNSC web page <http://www.nooksacknordicskiclub.org> and renew your membership! From the **Membership tab**, select **Join / Renew**. Look for the link to the **Online Membership Form** and fill in all of the pertinent information.

If using the online form, you'll have an opportunity to pay by PayPal after completing the form.

Using either method, please fill out the form completely. Sign on paper or electronically. Include all of your family on household memberships. And, remember to include your license plate number if buying a Sno-Park permit.

Why not fill out a form right now while you're thinking about it? Or, come to the meeting on Thursday December 1st and pay then.

**Jim Rhodes**

## BUY YOUR SNO-PARK PERMIT!

Don't forget to buy a Sno-Park permit! You'll need one to park at the Salmon Ridge Sno-Park, or across the highway at the Anderson Creek or Silver Fir

**Visit Our Website for the Latest Information: [www.nooksacknordicskiclub.org](http://www.nooksacknordicskiclub.org)**

campground, between Nov 1<sup>st</sup> to April 30th. You can purchase them through our ski club NNSC, or at REI, Back-country Essentials, or at Cross-roads Grocery in Maple Falls. Or purchase them on-line at: <http://www.parks.wa.gov/winter/nonmotorparks/permits/> They are \$40 for a seasonal permit or \$20 for a one day permit, plus \$2 extra if you buy them through a retail store. It's really a good deal. At other commercial or club ski areas each person has to pay a trail fee each time they go. For the price of one Sno-Park permit, you can load up your vehicle with friends or family and go to over 47 Sno-Parks for the whole winter. It's really a good value for the money.

By buying a Sno-Park permit, you are supporting your community trails and ski club. Sno-Park fees go into a dedicated fund which supports the WA State non-motorized Winter Recreation program. Proceeds are used to maintain and improve all the Sno-Park facilities throughout WA via Sno-Park grants. They pay for plowing out the Sno-Park, sanitation facilities, some of the trail grooming, signs, mapping, education, enforcement and program administration. This program is totally self sustaining. No tax payer money is used! Don't get caught

without one; the fine is steep! Both the County Sheriff and the USFS do enforcement and education, so be sure to display your permit on your windshield.

When you go, we want your feedback. Please send your Nordic ski and snowshoe conditions reports to Pete Tryon at [ski@tryonhayes.com](mailto:ski@tryonhayes.com) so we can post them on the NNSC website to share with others. And if you see any trail obstructions, downed trees, etc... we need to know about these so we can go clear them from the trail. You can also give feedback on the condition of a Sno-Park directly to the WA State Parks and Recreation Commission, on-line at: <http://www.parks.wa.gov/FormCenter/Winter-Recreation-9/SnoPark-Onsite-Evaluation-Form-68>

Thank you for your help.

## **NOOKSACK NORDIC SKI AMBASSADORS**

Resurrecting an old event from the early days of our club, a number of us will be representing the club at our Salmon Ridge SnoPark every Saturday in January (as well as December 31) from 10 to 2. While event planning is still taking place, we hope to greet all comers with cups of hot chocolate and coffee, and offer information about the club's activities. With sufficient volunteers, we can lead groups out on the trails (ski and snowshoe), provide a few mini-technique lessons, provide a few items of loaner equipment (skate skis? back-country skis?). Optimistic predictions are suggesting excellent snow and we will attempt to have fresh grooming. With membership forms available, we might recruit a few new members!

Do you have a Saturday free? Interested in participating? Have some ideas? The more volunteers we have, the better the job that we can do and the more fun we can have. Send Pete Tryon an email at [president@nooksacknordicskiclub.org](mailto:president@nooksacknordicskiclub.org) (or [ski@tryonhayes.com](mailto:ski@tryonhayes.com))

**Pete Tryon**

## **NEW NRTP GRANT WRITER**

Yes! After 15 years of writing the National Recreational Trails

Program (NRTP) Grant, I am ecstatic to report that Meg Hayes has taken over writing the grant! This is no small task. It takes countless hours of writing, calculating costs, documentation, and entering this all into the PRISM system (a computer system designed by our federal government); need I say more? Then when we get the NRTP grant, there is more work with tracking volunteer hours and doing invoices to get NNSC reimbursed. But undaunted, Meg jumped at the challenge. Meg has a ton of experience having worked with grants and state agencies in Alaska, so I am confident she will have no trouble securing the next NRTP grant to cover the next 2 years of SR trail maintenance. Thank you Meg!!! We appreciate all you are doing to keep the trail system going.

**Gail Garman**

## **SALMON RIDGE TRAILS ARE FUNDED!**

Some of you may remember that last Feb. in Snow News, we reported that the Anderson Creek Road, USFS 3071, had a major washout at the 0.9 mile wiping out over 150' of the road. Thanks to the USFS and a Resource Advisory Committee grant, we are happy to report the Anderson Creek Road has been repaired and will be groomed this winter!

In addition, the Winter Recreation Program (part of the WA State Parks and Recreation Commission) approved both our Sno-Park Grant applications and since revenue was much improved from the previous year, did an across the board 10% increase in grooming funds for all programs. So we are now getting \$8,523 per year in Sno-Park Grants for grooming! This is in addition to the Sno-Park plowing, sanicans, trail signs and maps they provide. So keep buying those Sno-Park permits; your money comes back to our program so we can provide these community trails!

More good news: we will still have an estimated \$15,585 of NRTP funds left over after we pay for the mowing of AC road. This grant pays for maintenance and grooming of the trails. So we have plenty of funds for grooming. That's great news since the forecast is for a good winter with plenty of snow.

**Gail Garman**

## **SNOW PREDICTIONS FOR THE WINTER OF 2016 - 17**

It is presumptuous to attempt a serious prediction of the snow that we can expect to have this winter, but what better activity for skiers in the dark days of late November?

With over a foot of snow at Heather Meadows in mid November, we are off to a good start. Significant snow is predicted to be added in the next week. Even with a bit of rain on top of it, this helps build a base. Hopefully some is making it as low as White Salmon.

**Visit Our Website for the Latest Information: [www.nooksacknordicskiclub.org](http://www.nooksacknordicskiclub.org)**

NOAA, with professional meteorologists and large, fast computers is making three-month forecasts: both below average temperatures and above average precipitation for the state of Washington! This, combined with our budget that contains sufficient moneys for grooming, suggest that this is the year for regular, local skiing. Wax your boards and get ready!

Do you want more current snow conditions than a monthly newsletter? Check out your club's web page or sign up for a Mt. Baker snow forecast page at <http://www.snow-forecast.com/resorts/Mount-Baker>.
