SNOW PARK PERMITS

Sno-Park permits go on sale Nov.

1. Locally they are available at Backcountry Essentials in Bellingham, REI in Bellingham, Crossroads Grocery in Maple Falls, or from NNSC with your membership payment or at club meetings. We don't charge the vendor fee if paying by check. The permit is good for 1 vehicle and the vendor needs your license plate number.

Sno-Park permits allow visitors to park in specially cleared, designated parking lots for winter sports and snow play. At Salmon Ridge Sno-Park the parking area includes the highway shoulder in front of the campground. There is no charge at White Salmon Rd. Hannegan Rd requires a USFS permit.

The rules had been different for Sno-Parks located within WA state parks. However, starting this year, the Discover Pass will no longer be required along with the daily Sno-Park permit in Sno-Parks that are on state park property. (Crystal Springs, Easton Reload, Fields Spring, Hyak, Lake Easton, Lake Wenatchee, Pearrygin Lake and Mount Spokane.)

What type of permit is needed?

Daily Sno-Park Permit

This permit is valid at any Sno-Park for one, two or three consecutive days as indicated on the permit. Cost: \$20 per day. (Note: All Sno-Parks honor the one-day permit, and individuals who purchase a one-day permit

are not required to purchase a Special Groomed Sticker.)

Seasonal Non-motorized Sno-Park Permit

This permit is valid for the entire winter season at all non-motorized Sno-Parks used for cross-country skiing, snowshoeing, dog sledding, fat-tire biking, etc. Some Sno-Parks require a Special Groomed Sticker to be paired with a seasonal non-motorized permit. Cost: \$40.

Special Groomed Sticker

This sticker affixes to a seasonal Sno-Park permit. Cost: \$40. This permit, in conjunction with the seasonal permit, is required at Cabin Creek, Chiwawa, Crystal Springs, Hyak, Lake Easton, Lake Wenatchee, Mount Spokane and Nason Ridge. NNSC does not sell the special groomed sticker. Source: Pam McConkey, Manager Winter Recreation Program

SNOW BEGINS TO FLY

As the snow finally begins to fly and the temperatures drop, be sure to pay attention to your skin to prevent even minor skin breakdown. Overly dry skin leads to tiny breaks in the skin which provide ways for pesky

viruses, such as influenza, to travel along with you wherever you go.

- Pay attention to keeping hydrated; your skin will thank you
- Use mild temperature water to rinse soap off completely when hand washing
- Dry hands thoroughly after washing, especially between the fingers
- When using hand sanitizer, be sure to allow it to air dry completely
- Use a moisturizer before heading outdoors and after hand washing; daddies and grandpa's too
- Wear gloves or mittens when venturing outdoors in the cold (Santa does!)

TO SKI OR NOT TO SKI

At 69 years of age, every season I get to ask myself, if this will be my last year skiing. Have the year's new aches and pains risen to a level that will make me stay at home? While it has not happened yet, I have seen many an avid cross-country skier retire, due to physical limitations. I do not like to think that it might happen to me as well. As a result, I exercise and try to stay active throughout the year. Still, we all age and may find previous activities no longer prudent or possible.

To my fellow skiers, who may be wrestling with the same issue, I would note that this activity is not for the weak, uncoordinated or timid. If you can get up the

energy to cross-country ski, do so, as every season could be your last.

Manning Trip Canceled

Carla Stellwagen has canceled the Manning Park Trip scheduled for Jan 17,18,19, due to lack of interest on our part. This was a surprise to me, as this has been a popular trip and one of the closest overnights we take. As a result, the MLK weekend is now open. If any of the members has an idea or destination to offer to the club on that weekend, please let me know.

I know that for my part, I want to try skiing in the McCall, Idaho area. Perhaps this cancellation is just the opportunity I need to explore a new ski destination. Anyone interested in skiing in Idaho?

STAKE & LOGAN LAKES TRIP 1

DECEMBER 27-30, 2019

Four days of skiing, staying 3 nights at a cost of \$280 USD per person including meals, double occupancy.

This high-altitude ski destination offers three different settings to ski in. It is less than five hours from Bellingham on good, well-maintained roads. We will be staying at the fabulous Highland House B&B in Logan Lake, BC. offering 4 luxury bedrooms with 2 beds and private full bathrooms. This place is really nice! The cost includes meals (hearty breakfasts with many choices,

Enjoy great skiing at any or all of three xc-ski areas: ultra-groomed Stake Lake, semi-groomed Logan Lake, and seldom groomed Kane Valley. 5 min. from our B&B, Logan Lake at 1180 meters (base) has 36 kilometers of skate and classic track. Trail fee is \$10 cash. They have 2 km of night-lit groomed trails. On the web go to <http://highlandvalleyoutdoorassociation.com/>. 20 min. from our B&B, Stake Lake at 1315 meters (base) has 60 kilometers of skate and classic track. Trail fee is \$15 cash or credit card. It features a large warming hut. On the web go to overlanderskiclub.com . 1 hr. from our B&B, Kane Valley at 1160 meters (base) has 50 kilometers of classic and un-groomed trails. Trail fee is \$10 cash. It can be skied on the way up and/or on the way back. On the web go to www.nicolanordic.ca/kane-valley-trails. All three areas are unique and enjoyable.

To hold a space on this trip, send a check for the full amount made out to NNSC to the trip **coordinator: Jim Rhodes**, 2605 Jensen Road, Bellingham 98226. Jim can be reached for questions at (360) 340-8417 or james.c.rhodes@gmail.com.
