

The New Liquid Glide Waxes

Old School

New School – not just for the lazy anymore

Glide Wax

Essential Nordic Tool Package for Hot Glide Wax ~ \$215

- Flat Scrapper
- Groove and edge scrapper
- Nylon brush
- Fine steel brush
- Waxing iron
- Waxing form
- Drop cloth to protect floor

Nice to have:

- Scrapper sharpener (if you don't want to keep buying scrappers)
- Structuring tool (some consider more important than waxing)

The old liquid glide wax – universal glide wax
(not so speedy)

The new liquid glide waxes:

Like hard wax they cover different temperature ranges -

Like hard wax they range from recreational (low price) to racing (high price):

- ONE Collection (\$37/bottle)
- UP Collection (\$69/bottle)
- Pro Collection (\$89/bottle)
- RACE Collection (\$120/bottle - powder – iron needed)

Press the sponge against the ski base and press the bottle lightly, which makes the bottle valve open and the wax will be poured to the sponge.

Essential Nordic Tool Package for New Liquid Waxes

- Combination nylon brush/cork (\$40)
- Waxing form nice, but not necessary
- No need for drop cloth!
- Base structuring tool still useful
