Crossover

All trails except the River Trail are groomed,
generally on a weekly basis.

Skiers:

Campground and Gerbil Loop are
gentle, level skis trails.

Go out the main Razor Hone trail
for distance

Snowshoers:

The dashed loop is a little over a mile

The River Trail is more difficult than Mom's.

Start clockwise - if the River trail is too wet at the beginning,
turn around and go directly to Mom's
